

JUNE SAVAGE

June Savage for MIAMI MAYOR

Why are you running for office, and how does your experience prepare you to be effective as a public servant in this position?

I am a Business Administrator. I've been an elected Councilman of Miami Dade County in 2018 and 2020 and have been really close to our community, visited over 2,000 entrepreneurs that have faced difficulties with licenses, permits, etc. We need to help them. As a builder I have 20 years of experience bringing capitals and investments, I would do the same to create more and better paid employment. I will bring more tourism and international events to promote employment. I have a plan to create affordable housing.

Why do you believe you are a strong candidate who will be able to win this election and earn the endorsement of Engage Miami?

I have been elected twice with records of votes. Our engagement with the community is very strong and we count with the support of hundreds of volunteers and entrepreneurs who have been visiting neighborhoods with us. We feel the support and we offer a different approach. I am the only candidate who has had nothing to do with the current government and some failed policies.

Do you support requiring developers to include affordable housing in new developments or contribute to a citywide affordable housing fund?

I support development and business but I also see the need of affordable housing. I propose to work also with the county and arrange public land to be offered in partnership with builders/developers for a win-win situation where builders make their profits but also the community receives a home that can be afforded.
